Team USB Disk (X101)

Combining both high technology and chic design, the Team X101 comes in a reserved color of dark green and dark blue to stress its neat and trim business style with a solid quality that compliments the elegant taste of modern metro-sexual. The high performance helps save every valuable second for busy executives and businessmen so that they can work more efficiently. Adopting the new generation USB 3.0 ultra speed interface with a bandwidth that reaches as high as 5Gbps, which is 10 times faster than the current mainstream USB 2.0's 480Mbps. With USB 3.0, it takes only 70 seconds to transfer a 25GB blu-ray video. In addition to the high-speed transfer rate, the X101 comes in large capacities of 32GB or 64GB, making it the best choice for satisfying the mobile storage needs of elite professionals.

Main Feature

- Feature USB3.0 data transfer interface
- Support hot swapping and plug n' play
- Backward compatibility with USB 2.0/USB 1.1
- No external power source required (power adaptor)
- Support power saving mode
- Cap design
- Aluminum casing
